

February Children's Song
I'm in love with Jesus

I'm in love with Jesus and He's in love with me.
I'll tell you why I love Him, because He first loved me.
He shed His blood on  Calv'ry, for sinners just like me.
For I'm in love with Jesus and He's in love with me.

Oh, Glory, Glory, Glory! Oh Glory, to His name!
Sometimes I disobey Him, But He loves me just the same,
And when I get to heaven His lovely  face I'll see
For I'm in love with Jesus and He's in love with me.

When I cross the  Jordan, I'll walk the streets of Gold
I never will be lonely I never will grow old
For I'll be with my Savior all through eternity
For I'm in love with Jesus and He's in love with me.
