So get your groove on with us tonight  
We'll do the 10 commandment boogie, the boogie,  
the 10 commandment boogie

{Verse 1}

Number 1 - no other God but the One who is true  
Don't worship any other, that's commandment 2.  
Number 3 - use the name of God only with respect  
Number 4 - on Sunday take a rest  
We're half way through with one that's just for you -  
Listen to your mom and dad 'cause what they say  
you gotta do

Chorus

{Verse 2}

Number 6 don't ever take somebody's life  
7 feels like heaven but only with your husband or wife  
Number 8 is great along with number 9 - don't steal from others and don't ever lie  
And if your friend has something that you think is cool don't ever wish that it was yours and that's the final rule

Chorus

{Verse 3}

Do the boogie, the boogie, the 10 commandment boogie (I wanna see you do the boogie)

Do the boogie, the boogie, the 10 commandment boogie

It's the boogie, the boogie, the 10 commandment boogie

Some people say that I'm old fashioned for believing in God's rules  
They're just fools (they're just fools)  
But the B-I-B-L-E, yeah that's the book for me  
And it's full of unbelievable tools

Just like the 10 commandment boogie, gonna dance until I die

10 commandment boogie, you can do it so can I

If you follow it through, you'll be amazed what you can do

So get your groove on with us tonight  
we'll do the 10 commandment boogie,

10 commandment boogie, gonna dance until I die

10 commandment boogie, you can do it so can I

If you follow it through, you'll be amazed what you can do

So get your groove on with us tonight  
We'll do the 10 commandment boogie,

the boogie, the 10 commandment boogie
